TECHINOVATE

24 Hour Hackathon

Rulebook

About Technovate

UIET Chandigarh presents TECHNOVATE '25, a thrilling 24-hour hackathon powered by the GDGC Club!

This year's theme, Space and Cosmos, challenges you to innovate and code solutions inspired by the vastness of the universe. Get ready to push the boundaries of your imagination!

Event Details

- Date: 19th February, 2025
- Venue: UIET, Panjab University, Chandigarh
- Team Size: 2-5 members
- Registration Fee: ₹300 per team

Problem Statements will be based on these tracks:

- 🔗 Blockchain
- 🤖 Artificial Intelligence & Machine Learning
- 🌐 Web Development

[Problem statements will be released on the day of hackathon.]

Developer Communities

The Google Developer Club On Campus (GDGC), UIET is a community for students interested in developing their skills in Google Developer technologies. The club holds activities to support students' academic success, including study jams, solution challenges and more.

Rules

Teams will have 24 hours to develop and present their solutions during the onsite hackathon. All participants must be present at UIET by 11:00 AM on Feb 19th, 2025.

Solution Submission:

- Submitted ideas must be the original work of the team members. Plagiarism is strictly prohibited. Internet research is permitted
- Only the team leader will submit the final solution, which must include a PPT presentation and a link to a GitHub repository containing the code.

Judging Criteria

There will be a continuous evaluation of the solution by the mentors present.

Technical soundness of the presentation would be valued. Marks would be given at each of the 2 round and cumulative of these would contribute the final result.

→ Round 1: Progress Evaluation
3:00 PM 19th Feb

→ Round 2: Final Presentation
11:00 AM 20th Feb

Judging Criteria:

1. Technical Complexity
2. Creativity
3. Potential Impact
4. Execution
5. Presentation

The judge's decision will stand as the final and conclusive decision.

Prize Pool

Top 3 teams will be winners across all tracks.

Facilities

Mattress would be provided for resting purposes.

Facilities for Developing and designing the project.

Food Coupons can be purchased
